Account is Locked After Too Many Failed Login Attempts

460 Chris Ordner Tue, Jul 3, 2018 wiTECH 2 Public Articles 3521

wiTECH 2.0 will automatically lock a users account after 3 failed login attempts. The account will only be locked for 15 minutes. Once the account has become unlocked, the user will have another 3 attempts to login again.

An example of a failed login attempt includes using the incorrect password or Dealer Code.
